

UMBRELLA CARE

Aluminium Umbrellas

No maintenance required. Our umbrellas come with a protective cover sleeve. The umbrella canvas and protective sleeves can be bought and replaced at any of our stores.

Because of the harsh South African weather the cover only has a life expectancy of 1 year.

Please note: To avoid damage, keep your umbrella closed if it is windy and if not in use.

Wooden Umbrellas

Our wooden umbrellas should be varnished at least once a year or it can be maintained using Woodcock oil. Our umbrellas come with a protective cover sleeve. The umbrella canvas and protective sleeves can be bought and replaced at any of our stores.

Because of the harsh South African weather the cover only has a life expectancy of 1 year.

Please note: To avoid damage, keep your umbrella closed if it is windy and if not in use.
